

LANARK COUNTY COMMUNITY GRANTS PROGRAM

The purpose of the Lanark County Community Grants Program is to provide direction in the distribution of taxpayer-funded grants to non-profit groups, and to define Lanark County community grants as "taxpayer-levied funds given to third-party organizations that do not have a signed contract for service with Lanark County."

Grant applications will be evaluated on a number of objectives, reviewed by the Lanark County Community Services Committee and may be awarded to local projects that have a direct impact on the people of our community or an indirect impact by increasing the capacity of organization to initiate and sustain local projects. \$48K in funding is available for the 2022 taxation year.

Program details, including the application form can be found online at www.lanarkcounty.ca, under 'Latest News.'

Grant applications are due no later than October 8, 2021. The review process will take place the following week in October with notification following budget approval in November.
