

## **The Lanark County Housing Corporation Landlord- Tenant Advisory Committee Application**

Lanark County believes that everyone brings a unique perspective shaped by their experiences, background, and passions. The goal is to build an advisory committee that reflects a rich diversity of thought and lived experience. While staff will take into consideration education and past work experience, these are only two of many considerations being made in the selection process. Lived experience, community spirit, and a willingness to listen and contribute truly matter.

The committee members will be tenants who care about the LCHC community and want to help make it better. Everyone is encouraged to apply, and no formal experience is needed. While there are a limited number of spots available, please know that not being selected this round is not a reflection of your value or potential contribution.

If you are not chosen this time, please don't be discouraged. The LCHC deeply appreciates your interest and encourage you to stay engaged and consider applying again in the future.

If you need assistance with the application, please feel free to contact staff at 613-267-4200 ext. 2402.
